We are mourning the death of the 2020 National Convention due to the COVID-19. We are now offering our pin with a mourning band (removable). The Department of Illinois is saddened by the cancellation of the National

Convention that was to be held in Springfield, IL July 22-26, 2020. We were looking forward to seeing many of you during this time and showing you our Midwestern hospitality with an exciting Convention. Now COVID-19 has forced the closing of this event so that our members may stay safe & well. Hopefully, no other National Convention will ever be cancelled as we need this time together to bond as Sisters and grow our organization and its work in honoring our Civil War Ancestors, all Veterans and preserving our history.
